LED Ballerinas create diverse, thrillModern dance, the other major genre of Western theatre dance, developed in the early 20th century as a series of reactions against what detractors saw as the limited, artificial style of movement of ballet and its frivolous subject matter. Perhaps the greatest...Ballet (French: ) is a type of performance dance that originated during the Italian Renaissance in the fifteenth century and later developed into a concert dance form in France and Russia. It has since become a widespread and highly technical form of dance with its own vocabulary.
Ballet has been influential globally and has defined the foundational techniques which are used in many other dance We offer Intermediate/Advanced ballet classes on an open (drop-in) basis, as well as sequential courses in Beginning Ballet and Modern. Classes emphasize accumulative learning, using imagery and anatomical information help the adult student to understand clear movement mechanics.
Our Studio.
