Pinky Baboon's Adventures

Onvertelde stories van Afrikaans

A child wanders too far into the Knysna Forest he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth

Handbook

Eva the Adventurer Eva is a bright, determined girl with a bountiful imagination. She fills each day with adventures, squeezing in as much as she can before bedtime. A trip to moon, cure a rare disease, drive a train? Absolutely. What will today bring? --- What gender stereotypes? Our princess is more likely to save herself than to wait for her prince. She’ll be train driving, rocketship flying, and opera singing. We hope girls and boys will not be held back by gender stereotypes, and we strive to portray positive gender examples. --- Supporting Children's Charities + NKH Research Our books support children with NonKetotic Hyperglycinemia, a rare and terminal metabolic disorder. It's hard to explain what NKH is like, as a parent. To watch your baby have countless seizures, miss every milestone and live an incredibly medicalised life. The pain and suffering are heartbreaking. The fear and grief can be overwhelming. So we have our hope in a cure. Specifically a gene therapy cure. Even more specifically, a cure currently in development by Prof. Nick Greene of UCL in London, UK. We believe he is the closest to a clinical trial. The closest to giving us a future with our son. Because NKH is so rare (less than 40 children in the UK, less than 500 worldwide) there is little to no awareness. There is little to no funding for research. So we, as parents fund what can. Through local fundraisers, and events and raffles. And children's books. All our books support Team Mikaere and Joseph's Goal - a charity for children with Nonketotic Hyperglycinemia. Thank you for helping fund a cure for our children. --- Available in bilingual form! Sometimes, one parent can speak a language the other doesn't, and bedtime stories shouldn't suffer because of it. Sharing the love of languages and learning is a priority for us - all our books will be available in bilingual forms. Currently available in English and French, Dutch, Spanish, German and Serbian. More languages coming soon! ---

Growing Kids with Character

Waar pas die riel, swart Afrikaners en Boesmans in? Of die tannies van Touwsranten in die berge naby Wildernis en die Rehoboth Basters van die vlaktes van Namibie? Met hierdie boek wil Ilse Salzwedel stukkies van die onvertelde geskiedenis van Afrikaans help bewaar. En wys dat Afrikaans 'n taal is waarin mense van alle kleure kan lag en huil, sing en dans, oorlog maak, vrede maak, oorleef en, veral, leef.

The Education Gazette

A gentle mix of educational facts and fiction makes the Adventures of Pinky Baboon an
ideal source of entertainment. The stories are written to not only capture the imagination of toddlers and pre-schoolers but also moms and dads who have to read the stories over and over again. Basing her stories on her love for the bushveld and education, Carli Roodt has created a platform from where Pinky takes the reader on a discovery of interesting facts mingled with fiction. Pinky goes looking for her friend Dan Zebra when she meets Henry Hyena, Daisy Hippopotamus, Freddie Warthog, Billy Lion, Gabby Giraffe, Martha Elephant and Brian Kudu along the way. While on her journey Pinky learns many interesting facts about her friends that are accompanied by a “did you know” section.
