
G7 foreign ministers meet face-to-face after pandemic Climate changes are already taking significant tolls. Raised ocean temperatures, melting glaciers and shrinking ice sheets are leading to sea level rises that are inundating coastal areas and low-lying countries. Extreme weather events are increasing in intensity, frequency and duration (Kramer2020;White2020). These effects are exacerbated through

Orion Magazine | Forget Shorter Showers Autocrats and totalitarians are taking advantage of global confusion to consolidate their power and extend their influence. Political polarization and hyper-partisanship, surreptitiously encouraged by malign actors both domestic and foreign, are a pandemic of another sort corroding the democratic integrity of too many leading democracies.

Generation Z - Wikipedia Millennials, also known as Generation Y or Gen Y, are the demographic cohort following Generation X and preceding Generation Z. Researchers and popular media use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years, with 1981 to 1996 being a widely accepted defining range for the most millennials. The children of baby boomers and early Gen X are more vulnerable and defenseless is worse than killing those who are less so, then killing civilians is worse than killing soldiers.
