Tackle organised crime is a minigame in which players help the Shayzien soldiers raid gang meetings in order to keep order in Great Kourend. In order to help take out gangsters, players must have 40% Shayzien favour. Players can find out where gang meetings are to take place by talking to Captain Ginea in the building directly east of the combat ring.

The IOCTA is Europol’s flagship strategic product highlighting the dynamic and evolving threats from cybercrime. It provides a unique law enforcement focused assessment of emerging challenges and key developments in the area of cybercrime. We are grateful for the many contributions from our colleagues within European law enforcement community and to our partners in the private industry for

The South East Regional Organised Crime Unit (SEROCU) is a Police unit responsible for delivering specialist and niche capabilities to Thames Valley Police, Hampshire Constabulary, Surrey Police and Sussex Police.

Organised crime is the recurrent (systematic) perpetration of target-oriented, coordinated serious criminal activity (and activities supporting this activity), whose involved entities are criminal groups or organisations (mostly with a multi-level vertical organisational structure) and whose main aim is to achieve the maximum illegal profits

Johor police will take action against their officers linked to fugitive gang head Nicky Liow Soon Hee under the organised crime law rather than handing their names over to the police's Integrity

A series filmed over two years with unprecedented access to Greater Manchester Police, offering front-line insight into one police force's battle against organized crime.

But organised crime, which covers a wide range of activities from the smuggling of narcotics, arms and human beings to counterfeiting and various forms of fraud and cybercrime, is largely

Organised Crime is defined as planned and co-ordinated criminal behaviour and conduct by people working together on a continuing basis. Their motivation is often, but not always, financial gain. Organised crime in this and other countries recognises neither national borders nor national interests.

Organised crime is a threat to European citizens, businesses, state institutions as well as the economy as a whole. Criminals easily operate across borders, which creates a need for consistent European–level action.

An organised crime expert tells the BBC how it works, and why this is the "perfect crime". If you have any information about the incidents featured in this film, you can report it online or by

Serious and organised crime is resilient and versatile and continues to evolve and adapt to reduce the risks to its own business, maximise profits, exploit new opportunities and evade law enforcement. So says Europol, the policing agency of the European Union, in its Serious and Organised Crime Threat Assessment, the EU SOCTA 2021.

The Regional Organised Crime Unit for the West Midlands Region (ROCUWM) is a collaboration between the police forces of Staffordshire, West Midlands, West Mercia and Warwickshire to fight organised crime across the region.

InSight Crime – From Uncovering Organized Crime to Finding What Works COLOMBIA / 12 NOV 2020 This project began 10 years ago as an effort to address a problem: the lack of daily coverage, investigative stories and analysis of organized crime in the Americas. ...

ENACT is implemented by the Institute for Security Studies and INTERPOL, in affiliation with the Global Initiative against Transnational Organised Crime Subscribe to our newsletter Subscribe

The MP’s call comes as the head of Wiltshire Police’s rural crime unit said the gangs are getting more organised. Inspector Liz Coles said that officers had made significant advances in tackling the illegal sport, which sees people trespass on farmland to race dogs after hares.

Organised crime group mapping is a critical process which is carried out using nationally standardised methods, but it is not always done in the same way in 5 Serious and Organised Crime Strategy, HM Government, October 2013, Cmnd 8715, paragraph 4.44.

Organised crime in India is a reference to organised crime elements originating in India and active in many parts of the world. The purpose of organised crime in India, as elsewhere in the world, is monetary gain. Its virulent form in modern times is due to several socio-economic and political factors and advances in science and technology.

More than 80 suspects involved in organised crime and drugs trafficking in Belgium and the Netherlands. More than 400 new investigations against high risk organised crime groups have been initiated. The use of violence by criminals involved in organised crime is on the rise in the EU, as is the

The Detectives: Fighting Organised Crime is a gripping new documentary series filmed over two years, in which cameras were given unprecedented access to Greater Manchester Police, looking into

Serious and organised crime is an increasingly dynamic and complex phenomenon that requires robust, intelligence-led response by EU law enforcement. While traditional crime areas such as international drug trafficking remain a principal cause of concern, the effects of globalisation in society and business have facilitated the emergence of significant new variations in criminal activity.
