Peter Martyr Vermigli 1499 1562 Renaissance Man Reformation Master

Dialogue on the Two Natures in Christ
This volume illustrates the busy and conflicted career of Vermigli, who left his beloved Italy in 1542, one step ahead of the Inquisition, to spend twenty years in three centers of Reform: Strasbourg, Oxford, and Zurich. This collection serves not only to display the more personal side of Vermigli, but also fills in details that polemical writings alone cannot provide. Here we see both ecclesiastical and pastoral concerns of Vermigli, and we can study the way he approached each in the spirit of humility and earnestness. This volume is a worthy partner and guide to the works presented in other volumes in this series.

Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Reformers in the Wings
This volume is devoted to Vermigli’s philosophical writings, consisting of topics from commentaries with sections on “reason and revelation,” “body and soul,” “knowledge of God,” “providence, miracles, and responsibility,” and “freewill and predestination.” Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Peter Martyr Vermigli And The European Reformations
Peter Martyr Vermigli (1499-1562) is a forgotten giant of the Protestant Reformation. With a legacy that spanned from Naples to Zurich to Oxford, Vermigli left behind him voluminous biblical commentaries and treatises, and a band of faithful disciples who collected his writings into the massive theological compendium, the Loci Communes. “On Original Sin” represents the first installment of a new project to translate the Loci into English for the first time since 1583. Presented here in a clear, readable, and learned translation, Vermigli’s searching discussion of original sin reveals the biblical and patristic foundations of this controversial doctrine, and its centrality to Protestant orthodoxy. Along the way, Vermigli offers a scathing critique of the semi-Pelagian Catholic theologian Albert Pighius and defends the Augustinian understanding of sin and grace, in a treatise marked by exegetical skill, historical erudition, and philosophical sophistication.

Peter Martyr Vermigli (1499-1562) and the Outward Instruments of Divine Grace
A treatment of the evolution of Christian thought from the birth of Christ, to the Apostles, to the early church, to the great flowering of Christianity across the world. The final volume begins with the towering theological leaders of the Protestant Reformation and traces the development of Christian thought through its encounter with modernity.

Metaphysics in the Reformation
Commentary on the Lamentations of the Prophet Jeremiah Peter Martyr Vermigli's earliest biblical commentary to survive is his lectures on the Book of Lamentations. As a refugee from Catholic Italy, Martyr sympathizes with the Hebrew poet, who looks over the devastation of Jerusalem. The Introduction gives a précis of Christian Hebraism and pays particular attention to the Bomberg Bible. The notes highlight Martyr's allusions to the Jewish commentators of that Bible. Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Historical Handbook of Major Biblical Interpreters

Sacred Prayers Drawn from the Psalms of David Contributors from both historical and biblical studies profile the methods, perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century. Includes introductory essays for each period and bibliographies of each interpreter.

Peter Martyr, a Reformer in Exile (1542-1562) This volume is devoted to Vermigli's philosophical writings, consisting of topics from commentaries with sections on "reason and revelation," "body and soul," "knowledge of God," "providence, miracles, and responsibility," and "freewill and predestination." Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Talking with Catholics about the Gospel Renaissance and Reformation—partners or enemies? The popular image of these two historical phenomena is one of opposition and contradiction: the Renaissance was a cultural revival influenced by classical philosophy; the Reformation was a radical religious movement which rejected traditional authority. But in the life and work of Peter Martyr Vermigli, a "Calvinist Thomist" and the leading sixteenth-century Italian Reformer, scholasticism and Protestantism converge. An international conference, sponsored by the Faculty of Religious Studies, McGill University, reflects the recent renewed interest in Italian reform. Entitled "The Cultural Impact of Italian Reformers," its aim was to gather Vermigli scholars along with Renaissance and Reformation scholars. Half the essays (by Paul Grendler, Cesare Vasoli, Rita Belladonna, Anthony Santosoosso, and Antonio D'Andrea) deal with the general question of Renaissance and Reformation interaction: How are humanism and scholasticism related? Marvin Anderson, Philip McNair, J. Patrick Donnelly, Robert Kingdon, and Joseph C. McLelland focus on the thought and activity of Vermigli himself. Students of theology, history, and philosophy, and specifically of the Renaissance and the Reformation, will welcome this book.

Commentary on Aristotle's Nicomachean Ethics Many people today are struggling with the problem of the church. Can the present structures be reformed within, or should they simply be abandoned as barriers to the recovery of community? Peter Martyr Vermigli faced this issue in the 16th century. He made a major contribution to the progress of the Reformation through his lectures, letters, and publications from teaching posts at Oxford, Strasbourg, and Zurich. This book is an intimate account of this theologian's life and work. Includes illustrations.

Germany and the Holy Roman Empire

Life, Letters, and Sermons The debate over religious images was fundamental to the development of the Reformation. Even before the Reformation, iconoclasm and the critique of image devotion were marks of religious radicalism. Protestant reformers embraced iconoclasm as a means of condemning Catholic corruption and illustrating their war against idolatry. From Icons to Idols provides an accessible, important edition of primary sources on this critical aspect of the Reformation in England. The documents in this collection track the image debate across the sixteenth and early seventeenth centuries, highlighting the complexities and diversity of arguments and positions held by both Protestants and Catholics. The documents also demonstrate the variety of individuals who engaged in the debate over images. Included here are bishops and theologians, printers and inquisitors, cardinals and artists, suggesting that the question of idolatry was no mere academic exercise.

The Oxford Treatise and Disputation on the Eucharist, 1549 In this last work of Vermigli's distinguished career as a theologian, he uses a dialogue to discuss the disagreement among Christians about the Eucharist and Christ's presence in the Lord's Supper.
Rediscovering the Natural Law in Reformed Theological Ethics Predestination and justification are two of the most distinctive and familiar doctrines associated with the Protestant Reformation. Martyr, an influential Protestant theologian and biblical exegete of the sixteenth century, engages advocates and detractors alike in his most extensive discussions of these controversial theological topics, drawn from his monumental commentary on the Apostle Paul's letter to the Romans. The great value of these two treatises is that they provide a vital if unheralded Protestant perspective on what were two of the most controverted doctrines of the Reformation era—not only between Roman Catholics and Protestants, but also among the Reformed, Lutheran, and Anabaptists as well.

A Companion to Peter Martyr Vermigli Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves. This volume contains 297 prayers based on 149 Psalms written by Vermigli during the political and religious turmoil of the Reformation era.

The Peter Martyr Library: Sacred prayers, drawn from the Psalms of David In Talking with Catholics about Jesus, author Chris Castaldo provides an easy-to-follow introduction to basic Catholic belief and practice, equipping evangelical Protestants for more fruitful spiritual conversations. Written in accessible, non-technical language, this short book offers readers: A more informed awareness of Catholicism Encouragement to move from a combative posture to a gracious one Clarification of erroneous caricatures of Catholics in favor of a more constructive understanding Based in part on Castaldo's experience as a Catholic and time spent working professionally in the Catholic Church, Talking with Catholics about Jesus gives readers a framework for recognizing where lines of similarity and difference fall between Catholics and evangelical Protestants, along with handy tips for engaging in spiritual discussions. Readers will gain encouragement and practical insights for gracious and worthwhile discussions of faith with Catholic believers.

Peter Martyr Vermigli, 1499-1562 This study is an inquiry into the intellectual origins of the Reformed branch of Protestantism generally called Calvinism. It focuses on the early theologian who gave formative shape to Reformed theology, Peter Martyr Vermigli.

Peter Martyr Vermigli In the first single-author account of German history from the Reformation to the early nineteenth century since Hajo Holborn's study written in the 1950s, Dr Whaley provides a full account of the history of the Holy Roman Empire. Volume I extends from From Maximilian I to the Peace of Westphalia.

Dialogue on the Two Natures in Christ Among the most polemical of Martyr's works, the texts presented here are part of the turbulent period in England during the times of Edward VI and Archbishop Cranmer. Along with his account of the Disputation, Martyr published a Treatise that provides systematic treatment of the arguments, biblical and patristic in source, with transubstantiation the target. There is a wealth of information about the state of the realm, the choice of patristic authorities, the nature of Martyr's objections to the traditional doctrine, and his proposed alternative. Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Peter Martyr in Italy In this last work of Vermigli's distinguished career as a theologian, he uses a dialogue to discuss the disagreement among Christians about the Eucharist and Christ's presence in the Lord's Supper. Peter Martyr Vermigli (1499–1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves.

Peter Martyr Vermigli The Reformed exegete and theologian Peter Martyr Vermigli (1499-1562) was an unoriginal but consistent thinker. Theological insights were not packaged separately from each other, but consistently linked together. In all his thought he sought to steer the middle course between theological extremes in taking what was good and rejecting what was bad from each. Typical of this tendency to steer the middle course are his insights into the outward instruments of divine grace. According to Vermigli, such instruments - the human nature of Christ, the audible words of Scripture and the visible words of the Sacraments, should not be over-carnalized, nor over-spiritualized. Although God could work immediately (i.e. without instruments), he has chosen to work through these instruments for salvation. Hence, the inward spiritual power and the outward instrument must not be divorced from each other. The Spirit of God does not normally work without the outward instrument, nor can the outward instrument effect grace without the Spirit's power. Modern scholarship has done much to define the sources of Vermigli's
thought, but more needs to be said. The more Vermigli is studied, the more it is necessary to qualify characterizations of him. He is not a thinker who is easily pigeon-holed into a certain theological school or movement. As a well-educated biblical and humanistic scholar, Vermigli took independent and well-reasoned positions on the whole variety of theological questions current in his day. As such, this study attempts to view the inter-connected nature of Vermigli's thought so as to gain a better view of the whole of his thought.

The Unfinished Reformation

Sacred Prayers Drawn from the Psalms of David Peter Martyr Vermigli (1499–1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. The Peter Martyr Library, a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves. This volume contains 297 prayers based on 149 Psalms written by Vermigli during the political and religious turmoil of the Reformation era.

Dialogue on the Two Natures in Christ The fine editions of the Aristotelian Commentary Series make available long out-of-print commentaries of St. Thomas on Aristotle. Each volume has the full text of Aristotle with Bekker numbers, followed by the commentary of St. Thomas, cross-referenced using an easily accessible mode of referring to Aristotle in the Commentary. Each volume is beautifully printed and bound using the finest materials. All copies are printed on acid-free paper and Smyth sewn. They will last.

From Icons to Idols A first examination of the writings of the Reformed theologian Pietro Martyre Vermigli (1499-1562) in English, especially following his career in Northern Europe from 1542-1562. Appendix I (pp. 467-486): Register Epistolarum Vermigli, a list of 305 letters. pp. 540-585: Bibliography of sources and reference tools, including a full survey of manuscripts and printed editions. Bibliotheca Humanistica & Reformatorica, Vol. X.

Peter Martyr Vermigli This collection of essays on Peter Martyr Vermigli (1499-1562) not only demonstrate his shaping influence on Reformed Protestantism, but also illuminate some of his more important and provocative contributions to the various Reformations in sixteenth-century Europe, both Catholic and Protestant.

Reformation Heroes

Peter Martyr Vermigli and Predestination

On Original Sin Peter Martyr Vermigli (1499-1562) was a scriptural exegete, but also an Aristotelian philosopher. His voluminous commentaries on Old and New Testament books are complemented by this volume, the only one of its kind in his corpus. As such it provides a window into the complex world of early modern European philosophical translation and commentary, as well as the theology and ethics of the Reformed camp. Theological commentaries on Aristotle are an important part of the history of the philosophy-theology connection. Thomas Aquinas is an outstanding example, and Peter Martyr Vermigli follows in his steps. It reflects Martyr's years at Padua studying the "practical Aristotle." This lecture series, given at Strasbourg 1553-56, provides a running commentary, showing the positive take on The Philosopher, along with the decisive criterion of Scripture. It is a major contribution to the debate on "Reformed Scholasticism," which casts Beza, Martyr, and Zanchi as protagonists. It supports the thesis of Richard Muller and others that scholasticism is a method rather than a position, a pedagogical mode of organizing doctrine in behalf of clarity and interior logic.

The Catholic Historical Review Born in Florence, Italy, in 1499, Peter Martyr Vermigli decided that he wanted to teach God's Word when he grew up. After many years of study, he became a well-respected leader in the Roman Catholic Church, yet he questioned the church's teachings because he believed they were contrary to the Bible. Eventually forced to flee Italy and the Roman Church, Vermigli joined the Reformers north of the Alps and devoted the rest of his life to teaching, preaching, and writing about the great truths of the Protestant Reformation. He lived in many parts of Europe, and he influenced many of the most important figures of his times. This volume in the Christian Biographies for Young Readers series retells the story of a servant of Christ who left behind a position of prominence in the Roman Church to courageously join the cause of the Protestant Reformation. Enhanced by illustrations, photographs, and additional information about the Reformation era, this account shows young readers how God can use
Philosophical Works Five hundred years ago, a Catholic monk nailed a list of grievances on the door of a church in Germany and launched a revolution in the history of Christianity. Today there continues to be a number of unresolved issues between the Protestant and Catholic churches, and many experience this ongoing division within their family and among friends and neighbors. Written in an accessible and informative style, Gregg Allison and Chris Castaldo provide a brief and clear guide to the key points of unity and divergence between Protestants and Catholics today. They write to encourage fruitful conversation about the key theological and sociological differences between the two largest branches of Christianity. From the revolutionary events 500 years ago that sparked the Reformation to today, Unfinished Reformation takes a nuanced and thoughtful look at doctrine, practice, and how Protestants and Catholics can have fruitful discussions about the gospel of Jesus Christ.

Pietro Martire Vermigli (1499-1562)

Commentary on Aristotle's Nicomachean Ethics Pierre Martyr Vermigli (1499-1562), né en Italie, prieur augustinien à Naples, puis réformateur à Strasbourg, Oxford et Zurich, fut un personnage clé du protestantisme réformé. Ce recueil rassemble une quinzaine de contributions qui se sont attachées particulièrement à la pensée théologico-politique de cet humaniste européen au plein sens de l'expression.

Predestination and Justification The great Florentine Protestant reformer Peter Martyr Vermigli (1499-1562) made a unique contribution to the scriptural hermeneutics of the Renaissance and Reformation, where classical theories of interpretation derived from Patristic and Scholastic sources engaged with new methods drawn from Humanism and Hebraism. Vermigli was one of the pioneers of the sixteenth century in acknowledging and harnessing the biblical scholarship of the medieval Rabbis. His eminence in the Catholic Church in Italy (until 1542) was followed by an equally distinguished career as theologian and exegete in Protestant Europe where he was professor successively in Strasbourg, Oxford, and finally in Zurich. The Companion consists of 24 essays divided among five themes addressing Vermigli's international career, hermeneutical method, biblical commentaries, major theological topics, and his later influence. Contributors include: Scott Amos, Michael Baumann, Jon Balserak, Luca Baschera, Maurice Boutin, Emidio Campi, John Patrick Donnelly SJ, Max Engammare, Gerald Hobbs, Frank James Ill, Gary Jenkins, Robert Kingdon, Torrance Kirby, William Klempa, Joseph McLelland, Charlotte Methuen, Christian Moser, David Neelands, Peter Opitz, Herman Selderhuis, Daniel Shute, David Wright, and Jason Zuidema.

Life, Letters, and Sermons The Reformation did not happen instantaneously; it was something God patiently arranged over a number of years. As you read this book, you will learn how the Lord used some people to plant the seeds of church reform long before October 31, 1517, when Martin Luther published his ninety-five theses. Luther's story is well-known; we trust you will find it interesting and instructive to read about him and about forty others (John Knox, Peter Martyr Vermigli, Zacharias Ursinus, Willem Teellinck, etc.) who contributed to the Reformation - some well known and others not so - most of whom are Reformation heroes. To provide a more full picture of the many sided Reformation, chapters are also included on the Anabaptist and Counter Reformation movements. The book concludes with a brief summary of the influence of the Reformation in different areas of life.

A History of Christian Thought: From the Protestant Reformation to the twentieth century This book offers portraits of twenty of the secondary theologians of the Reformation period. In addition to describing a particular theologian, each portrait explores one problem in 16th-century Christian thought. Catholic, Lutheran, Reformed, and Radical thinkers are all represented in this volume, which serves as both an introduction to the field and a handy reference for scholars.

Philosophical Works This book offers portraits of twenty of the secondary theologians of the Reformation period. In addition to describing a particular theologian, each portrait explores one problem in 16th-century Christian thought. Catholic, Lutheran, Reformed, and Radical thinkers are all represented in this volume, which serves as both an introduction to the field and a handy reference for scholars.

Reformers in the Wings In this last work of Vermigli's distinguished career as a theologian, he uses a dialogue to discuss the disagreement among Christians about the Eucharist and Christ's presence in the Lord's Supper. Sixteenth Century Essays & Studies, vol. 31, and Peter Martyr Library, vol. 2.

The National Union Catalog, Pre-1956 Imprints Is knowledge of right and wrong written on the human heart? Do people know God from the world around them? Does natural knowledge contribute to Christian doctrine? While these questions of natural theology and natural law have historically been part of theological reflection, the
radical reliance of twentieth-century Protestant theologians on revelation has eclipsed this historic connection. Stephen Grabill attempts the treacherous task of reintegrating Reformed Protestant theology with natural law by appealing to Reformation-era theologians such as John Calvin, Peter Martyr Vermigli, Johannes Althusius, and Francis Turretin, who carried over and refined the traditional understanding of this key doctrine. Rediscovering the Natural Law in Reformed Theological Ethics calls Christian ethicists, theologians, and laypersons to take another look at this vital element in the history of Christian ethical thought.
