Modern Spoken Cambodian

This was the first English-Khmer (Cambodian) dictionary to be published in the Western world. It contains some
40,000 English entries and subentries and their translations. The primary objective of the dictionary is to provide a corpus of basic words and phrases which it would be useful for Western students of Khmer to know how to say or write in standard Khmer. The second objective is to provide the first comprehensive English-Khmer dictionary for Khmer students learning English, particularly important now because of the recent arrival in the United States of more than 15,000 Khmer refugees. The third objective is to provide a research tool for those linguists, philologists, and other scholars interested in the study of the Khmer language, notable both for its rich literary traditions and for its place in the linguistic history of Southeast Asia.

Drawing on extensive ethnographic fieldwork in Cambodia, Erik W. Davis radically reorients approaches toward the nature of Southeast Asian Buddhism's interactions with local religious practice and, by extension, reorients our understanding of Buddhism itself. Through a vivid study of contemporary Cambodian Buddhist funeral rites, he reveals the powerfully integrative role monks play as they care for the dead and negotiate the interplay of non-Buddhist spirits and formal Buddhist customs. Buddhist monks perform funeral rituals rooted in the embodied practices of Khmer rice farmers and the social hierarchies of Khmer culture. The monks' realization of death underwrites key components of the Cambodian social imagination: the distinction between wild death and celibate life, the forest and the field, and moral and immoral forms of power. By connecting the performative aspects of Buddhist death rituals to Cambodian history and everyday life, Davis undermines the theory that Buddhism and rural belief systems necessarily oppose each other. Instead, he shows Cambodian Buddhism to be a robust tradition with ethical and popular components extending throughout Khmer society.

This completely modern and up-to-date Armenian-English/English-Armenian Dictionary provides a quick reference to a needed word in Armenian.

and English. It is a useful tool for travelers, business people, and students. It has over 9,000 entries in both languages in a concise easy-to-use format. Every entry contains a pronunciation guide and lists basic grammar characteristics. This is a compact and travel-friendly Cambodian–English, and English–Cambodian dictionary. The Tuttle Practical Cambodian Dictionary answers the need for a dictionary of Cambodian that is handy, current, and useful to those with little or no experience with the Cambodian language. With other Cambodian dictionaries are designed for those who can read Cambodian script, this dictionary provides entries in both script and romanized form. Entries provide clear, precise definitions and sample phrases to illustrate the natural use of the language. Foreigners learning Cambodian and Cambodians learning English will find this dictionary a reliable and effective reference tool for their studies. Useful features include: both English–Cambodian and Combodian–English sections. Approximately 5,500 entries. All entries in both romanized and Cambodian script. Helpful appendixes and sample usages. Handy, compact size. Illuminates many facets of these spectacular cloths. Cambodia is poised to join a new generation of Asian frontier economies transitioning from low-income to emerging-market. But the path to greater and more shared prosperity requires a solid foundation of sound macroeconomic policies, enabling new growth drivers, tackling a highly dollarized and fragmented financial system, and creating more fiscal policy space to help meet Cambodia’s vast development needs. This book first takes a closer look at the key economic challenges Cambodia faces at the current juncture, highlighting Cambodia’s structural and financial constraints to growth as well as shifting vulnerabilities as Asia rebalances. It then lays out how a strategy of fiscal and financial sector policies, from creating a fairer and more buoyant tax system to modernizing financial instruments, markets and supervision, can help mobilize
the resources and tools needed for one of Asia’s youngest and fastest-growing populations to enjoy more self-sustaining and inclusive growth. Chanrithy Him felt compelled to tell of surviving life under the Khmer Rouge in a way "worthy of the suffering which I endured as a child." In a mesmerizing story, Chanrithy Him vividly recounts her trek through the hell of the "killing fields." She gives us a child's-eye view of a Cambodia where rudimentary labor camps for both adults and children are the norm and modern technology no longer exists. Death becomes a companion in the camps, along with illness. Yet through the terror, the members of Chanrithy's family remain loyal to one another, and she and her siblings who survive will find redeemed lives in America. A Finalist for the Kiriyama Pacific Rim Book Prize. An annotated multidisciplinary bibliography of some 1,000 detailed, thoughtful entries, concentrating on areas which have received the most attention from writers and researchers, such as traveller's accounts, archaeology and ancient art, history, and politics. Of special interest is coverage of Cambodia in Western literature, human rights and genocide, mines, refugees, the peace process, and foreign relations. Includes sections on films and videos, recorded music, audio and Braille books, and Internet sites and databases. For general readers, students, researchers, librarians, and those in media. Annotation copyrighted by Book News, Inc., Portland, OR. This volume consists of four parts: (1) The Cambodian Writing System, a formal description of the relationship between the writing system and the phonology of the language; (2) Programmed Reading Exercises, a series of highly structured reading drills to train the student to read all regular Cambodian word shapes; (3) Beginning Cambodian Reader, fifty reading selections, graded in length and difficulty, ranging from short, simple narratives to essays on various aspects of Cambodian culture; and (4) Cambodian-English Glossary, containing some 2,000 words.
Glossary contains over 8,800 words. Originally published by Yale University Press, 1977. Reissued with permission by Cornell Southeast Asia Program, 1988. This is the third in a series of Cambodian readers prepared by Franklin Huffman and Im Proum, following their Cambodian System of Writing and Beginning Reader and Intermediate Cambodian Reader. The reader contains thirty-two selections from some of the most important and best-known works of Cambodian literature in a variety of genres—historical prose, folktales, epic poetry, didactic verse, religious literature, the modern novel, poems and songs, and so forth. The introduction is a general survey in English of Cambodian literature, and each section has an introduction in Cambodian. For pedagogical reasons, the selections are presented roughly in reverse chronological order, from modern prose to the very esoteric and somewhat archaic verse of the Ream-Kie (the Cambodian version of the Ramayana). The reader concludes with a bibliography of some sixty items on Cambodian literature. The glossary combines the 4,000 or so items introduced in this reader with the more than 6,000 introduced in the previous two readers, making it the largest Cambodian-English glossary compiled to date. The definitions are more general and complete than one usually finds in a simple reader glossary, in which definitions are normally context-specific. Because the glossary is so useful in itself, it is being made available separately as well as bound with the reader. Contemporary Cambodian - Grammatical Sketch is part of the Contemporary Cambodian. FSI Courses are language courses developed by the Foreign Service Institute and were primarily intended for US government employees. These courses are very intense to let a learner achieve proficiency as fast and as efficient as possible. Keep in mind that most of the courses were developed during the cold war area between 1960 and 1990 and the type set in this book is therefore not as accurate as you might expect. A Frequency Dictionary of German is an
invaluable tool for all learners of German, providing a list of the 4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way. Originally published by Yale University Press, 1970. To order accompanying CDs for this book, contact the Language Resource Center at Cornell University (http://lrc.cornell.edu). Provides English and Cambodian equivalents for more than seven thousand terms, and includes synonyms, style levels, and negatives.

In prehistoric times, Southeast Asian women enjoyed high status. When, how and why did that change? This book explores the history of gender relations through economics, politics, art and literature. This title is a narrative and visual tour de force, of interest to scholars and the general public.

Information on Tagalog grammar. A guide to pronouncing Tagalog correctly. Other books from this bestselling series you might enjoy are: Pocket Vietnamese Dictionary, Pocket Cambodian Dictionary, Pocket Thai Dictionary, Pocket Indonesian Dictionary, and Pocket Malay Dictionary.

The study of Cambodian religion has long been hampered by a lack of easily accessible scholarship. This impressive new work by Ian Harris thus fills a major gap and offers English-language scholars a booklength, up-to-date treatment of the religious aspects of Cambodian culture. Beginning with a coherent history of the presence of religion in the country from its inception to the present day, the book goes on to furnish insights into the distinctive nature of Cambodia's important yet overlooked manifestation of Theravada Buddhist tradition and to show how it reestablished itself following almost total annihilation during the Pol Pot period. Historical sections cover the dominant role of tantric Mahayana concepts and rituals under the last great king of Angkor, Jayavarman VII (1181–c. 1220); the rise of Theravada traditions after the collapse of the Angkorian civilization; the impact of foreign influences on the development of the nineteenth-century monastic order; and politicized Buddhism and the Buddhist contribution to an emerging sense of Khmer nationhood. The Buddhism practiced in Cambodia has much in common with parallel traditions in Thailand and Sri Lanka, yet there are also significant differences. The book concentrates on these and illustrates how a distinctly Cambodian Theravada developed by accommodating itself to
premodern Khmer modes of thought. Following the overthrow of Prince Sihanouk in 1970, Cambodia slid rapidly into disorder and violence. Later chapters chart the elimination of institutional Buddhism under the Khmer Rouge and its gradual reemergence after Pol Pot, the restoration of the monastic order's prerevolutionary institutional forms, and the emergence of contemporary Buddhist groupings. The Otjiherero-English dictionary is a working dictionary of contemporary Otjiherero-English words you are likely to read, write or hear in daily interactions. It is designed to be a translator reference source for travelers, students and home. Additionally, the book contains lists of grammar, phrases, numerals, conversion sizes, holidays and commemorations, life and culture of Otjiherero-speaking people, time charts, abbreviations, etc. The goal of this book is to enhance communication between Otjiherero and English language and through it introduce the culture of the Otjiherero-speaking people. by districts and states. The appalling Cambodian genocide remains barely studied even to this day. Yet nearly two million Cambodians (around 20 percent of Cambodia’s population) died between 1975 and 1979 as a result of the dictator Pol Pot and the Khmer Rouge Communist government. Innocent Cambodians were murdered, starved, and tortured. This fascinating book offers an overview of this tiny Asian country’s history, framing the events that led up to this tragic genocide. Readers will learn about the key players in the genocide, as well as the complications in obtaining justice in its aftermath. As his family prepares for the New Year, Dara hopes to cheer his grandfather by showing him the Cambodian scenes he painted.

A guided tour by local children leads the author—and readers—inside an ancient Cambodian temple and around its ruins, where they explore the mysteries of the site and discover a little-known secret. 12,000 first printing. Designed to accompany the series of Cambodian readers prepared by Franklin E. Huffman and Im Proum, this work is now reissued as an aid not only to students of the Cambodian language but also to Cambodians residing in English-speaking countries. The largest such glossary compiled to date, it includes some 10,000 words, with definitions that are useful and complete at a general level, beyond the specific context of the published readings. Although less comprehensive than a dictionary, it fills an important purpose as an inexpensive aid for speakers of either language. "A comprehensive, up-to-date guide to Khmer, the national language of Cambodia. Often referred to colloquially as "Cambodian", Khmer has about 16 million native speakers. This guide includes over 18,000 word-to-word entries, plus guides to the Khmer alphabet, pronunciation, and basic usage."--This book is a sequel to the author's Cambodian System of Writing and Beginning Reader. It is intended to develop the student's ability to the point of reading unedited Cambodian texts with the aid of a dictionary. Part One consists of 37 reading selections
in Cambodian, graded in length and difficulty, from publications by Cambodia's leading writers and scholars. It includes articles on Cambodian history, culture and geography; Cambodian folktales; newspaper articles and editorials; and modern Cambodian fiction. Each selection is followed by a list of the vocabulary items not previously introduced, along with their definitions. Welcome to the enchanting world of Cambodia, home of Angkor Wat and other treasures of Southeast Asian culture. The country's natural beauty and history are waiting to captivate you. The Cambodian people are among the friendliest in the world, and when you learn their language, you will gain an even greater appreciation of this exotic land. Enlarged by some 50 percent and equipped with more comprehensive name and subject indexes, the second edition of this unique guide contains bibliographic and descriptive annotations for 8,000 dictionaries. It features 1,500 additional bilingual works, 400 new subject categories, and all the major electronic dictionaries produced in English. While the primary emphasis is on language dictionaries, subject dictionaries on topics as varied as ceramics, bookbinding, and theatre as well as dictionaries issued by international bodies and agencies are included. Covering all the world's languages, works may be bilingual, monolingual, or multilingual as long as there is an English element. Have English and Khmer words Easy to learn clear and simple for Cambodian People who wants to learn English
