FROM THE AUTHOR OF THE BOOKER PRIZE FINALIST ELMET Named One of the Most-Anticipated Books of 2021 by The Millions, BuzzFeed, The Stylist, the Guardian, and more! Brilliant young British writer Fiona Mozley turns her keen eye from the gothic woods of Yorkshire to the streets and pubs and cafés of contemporary London in this much-anticipated follow-up to her debut novel, Elmet. In the middle of the bustle of Soho sits a building. It isn’t particularly amusing. But it’s a prime piece of real estate, and a young millionaire, Agatha Howard, wants to convert it into luxury condos as soon as she can kick out all the tenants. The problem is, the building in question houses a brothel, and Precious and Tabitha, two of the women who live and work there, are not going to go quietly. And another problem is, just where did Agatha’s fortune come from? The fight over this piece of property also drapes in the men who visit, including Robert, a one-time member of a far-right group and enforcer for Agatha’s father; jackie, a policewoman intent on making London a safer place for all women; Bastian, a rich and dissatisfied party boy who pines for an ex-girlfriend; and a collection of vagabonds and strays who occupy the basement. As these characters—with surprising hidden connections and shadowy pasts—converge, the fight over the property boils over into a hot strew. Entertaining, sharply funny, and dazzlingly accomplished, Hot Stew confronts questions about wealth and inheritance, gender and power, and the things women must do to survive in an unjust world.

Bloody Jack

California's gold country, 1850. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. Then she meets Michael Hosa, a man who seeks his Father's heart in everything. He obeys God's call to marry Angel and to love her unconditionally. Defying Angel's every bitter expectations, despite her resistance her frozen heart begins to thaw. But overcome by feelings of unworthiness and fear, Angel runs away from her husband's love. She is terrified of the truth she can no longer deny: Her final healing must come from the One who loves her even more than Michael Hosa does—the One who will never let her go.

His Client

Offers an in-depth exploration of the only assured brothel from the Greco-Roman world, illuminating the lives of both prostitutes and clients.

The World of Crime

Many unorthodox ways of life were allowed during the early days of the California Gold Rush. The demands of the times and a great influx of races forced tolerance. San Francisco became notorious for its lawlessness, its gambling casinos, and its bordellos and madams. The Barbary Coast became a part of California's history and San Francisco's heritage. The Barbary Coast was an area near the waterfront that law enforcement found almost impossible to control. Those who operated establishments there, refused to abide by the gradually encroaching law and order being established by the other parts of town. For along the Barbary Coast any vice could be bought. There also, a little-known vice guarded with great secrecy were the male houses of prostitution. Some of the more clandestine operations offered young boys. Most of these boys had few means of survival other than their wits and the skills they were taught. Known as peg-boys, the places provided boys as young as seven and as old as seventeen to those who were able to meet the extraordinary demands. These houses were often operated by unscrupulous ruthless men who provided the boys with drugs, thereby chaining them by their additions. These could become hopeless addicts unable to function as anything but subservient slaves to their masters. An international slave trade supplied these houses with boys who were enticed or kidnapped from all over the world. Peg-boys were common in the Orient. The custom was brought to the West by seamen who had grown fond of such pleasures. Boys were trained to service customers by having their anus enlarged by wooden peg of gradually increasing size. They would be offered for selection while sitting on stools that displayed the properly sized peg protruding from the bottom to indicate the size penis that each boy had been trained to accommodate. This is the story of Santiago Cali, one such boy.

Love wasn't supposed to be part of the bargain. On every visit to Madame Delacroix's brothel, Nathaniel Travers requests the same man. Stuningly handsome and highly skilled, Jasper not only shares Nate's fondness for wickedly erotic games and black leather corsets, but he has become a trusted confidant. And Jasper's the only person who knows Nate longs for a committed relationship with his childhood friend, Peter Edston. Unrequited love hurts, but it hurts even more when the object of affection is in love with another. Jasper Reed has been working at Delacroix's for a decade. He's content with his life. But one day, everything changes. Nate's pregnant and it's his. The problem is, the baby isn't his. Jasper's a bastard, and Nate's the neice of a count. Surely there can't be any hope for them: Note: This is a previously published work. This second edition has been edited with minor changes. For readers who purchased the original edition, this second edition is not substantially different.

The Brothel Boy

Cyber Crime, Second Edition by Catherine D. Marcum, provides the reader with a thorough examination of the prominence of cybercrime in our society, as well as the criminal justice system experience with cybercrimes. Research from scholars in the academic field, as well as government studies, statutes, and other material are gathered and summarized. Key concepts, statistics, and legislative histories are discussed in every chapter. The book is meant to educate and enlighten a wide audience; from those who are completely unfamiliar with the topic, as an entirety, to individuals who need more specific information on a particular type of cybercrime. This text should be a useful guide to students, academics, and practitioners alike. New to the Second Edition: A new chapter explores the many forms of nonsensory pornography—doxing, doxblaming, upskirting, revenge porn, sextortion, contextual manipulation—and their consequences. Key Words: Cybercrime; social and legal implications; privacy; and the effects on personal and professional lives; Social media and crime; victimology; public protection; and ethical issues.

Peq Boy

A half-Chinese orphan whose mother sacrificed everything to give him a better chance is raffled off as a prize at Seattle's 1909 World's Fair, only to land in the ownership of the madam of a notorious brothel where he finds friendship and opportunities, in a story based on true events.

Wolf Boys

"A haunting peek at the life of a teenage girl in 1950s New Orleans."—Entertainment Weekly It's 1950, and as the French Quarter of New Orleans simmers with secrets, seventeen-year-old Josie Moraine is silently stirring a pot of her own. Known among locals as the daughter of a brothel prostitute, Josie wants more out of life than the Big Easy has to offer. She devises a plan get out, but a mysterious death in the Quarter leaves Josie tangled in an investigation that will challenge her allegiance to her mother, her conscience, and Willie Woodley, the brusque madam on Conti Street. Josie is caught between the dream of an elite college and a clandestine underworld. New Orleans lures her in her quest for truth, dancing temptation at every turn, and escalating to the ultimate lie. With characters as captivating as those in her internationally bestselling novel Between Shades of Gray, Ruta Sepety's skillfully creates a rich story of secrets, lies, and the haunting reminder that decisions can shape our destiny.

Proust in Love

A masterpiece of Biblical scope, and the magnus opus of one of America's most enduring authors, in a commemorative hardcover edition in this journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primal power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trask and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

 Selling Women

Reveals how modern strategies of punishment - and their failure - relate to political and economic transformations in society at large. The author uses the practice of parole in California as a window to the changing historical understanding of what a corrections system does and how it works.

Controlling Vice

Exploring the sex trade in America from 1850 to 1920 through perspectives from archaeologists and historians, this volume expands the geographic and thematic scope of research on the subject, helping create an inclusive and nuanced view of social relations in United States history.

The Brothel Boy, and Other Parables of the Law

"At last, a study that goes far beyond the urban-centered discourse with which we are already familiar to place the trafficking of women in a solid historical and comparative context. Through a carefully reasoned and balanced analysis of diverse sources, Stanley shows how prostitution practices vary widely from place to place, and how these practices are shaped by the conditions of gender in society. This lucidly researched, wonderfully written book is a major contribution to the literature on gender and society in Japan." — David L. Howell, Harvard University

The Brothel Boy and Other Parables of the Law

In May 1827, nineteen-year-old Dinu Grigorescu, a skinny boy with literary ambitions, is newly arrived in Paris. He has been sent from Bucharest, the city of his childhood, by his wealthy father to embark upon a bohemian adventure and relish the unique pleasures of Parisian life. An innocent in a new city, still grieving the sudden loss of his beloved mother Elena seven years earlier, Dinu is encouraged to enjoy the city's pleasures by his distant cousin, Eduard. But tentatively, secretly, Dinu is drawn to the Bains du Ballon d'Alsace, a notorious establishment rumored to offer the men of Paris, married or otherwise, who enjoy something different, everything they crave. It is here that he meets Razvan, a fellow Romanian, the adopted child of a man of refinement—a prince's boy—whose stories of Proust and other artists entrance Dinu, and who will become the young man's teacher in the ways of the world. At a distance of forty years and written in London, his refuge from the horrors of Europe's early-twentieth-century history, Dinu's memoir of his brief spell in Paris is one of exploration and rediscovery. The love that blossomed on that sunny day in such inauspicious and unromantic surroundings would transcend lust, separation, despair, and even death to endure a lifetime. This is a work of extraordinary sensual delicacy, an exquisite novel from one of our most celebrated writers.

Redeeming Love

Joel Best claims that the sort of informal regulation in St. Paul was common in the late nineteenth century and was far more typical than the better known but brief experiment with legalization tried in St. Louis. With few exceptions, the usual approach to these issues of social control has been to treat informal regulation as a form of corruption, but Best's view is that St. Paul's arrangement exposes the assumption that the criminal justice system must seek to eradicate crime. He maintains that other policies are possible.

The Alienist

The dragons only emerged from their deep caverns when the weather was right, with thick clouds and swirling heat. It was on such a day that Arkan's home village was destroyed, his family and friends slaughtered. He survived, though, and swore vengeance on the dragons, and on the looters and slavers who had captured him in the ruins. But no one had ever slain a dragon; how could a mere slave hope to do so?

Love and Other Consolation Prizes

The Law of the Other is an account of the English doctrine of the "mixed jury". Constable's excavation of the historical, rhetorical, and theoretical foundations of modern law recasts our legal and sociological understandings of the American jury and our contemporary conceptions of law, citizenship, and truth. The "mixed jury" doctrine allowed resident foreigners to have law suits against English natives tried before juries composed half of natives and half of aliens like themselves. As she traces the transformations in this doctrine from the Middle Ages to its abolition in 1870, Constable also reveals the emergence of a world where law rooted in actual practices and customs of communities is replaced by law determined by officials, where juries no longer strive to speak the truth but to ascertain the facts.

The Brothel of Pompeii

Evolutive and stimulating, engaging and timely, this small volume makes sense of the complicated and reciprocal relationship between law and culture. It starts with various definitions of law and the factors that anthropologists consider when they compare legal systems. Next, the experiences of exemplary researchers throughout history and some of the methods they used in their discoveries are discussed. Readers learn how to employ the comparative method and build a typology based on the source of a particular law by putting the world's legal system into one of three categories: Western law, religious law, and traditional law. The book also tackles important issues such as formal law versus informal law, using law to legitimate power, and clashing values within a single legal system. Examples from fieldwork experiences and historical events offer readers a chance to see how a method has been applied or a concept developed—as well as how law and culture are intertwined in the real world.

Mr Darcy's Cottage of Earthly Delights

In 1840, Alexander Maconochie, a privileged retired naval captain, became at his own request superintendent of two thousand twice-convicted prisoners on Norfolk Island, a thousand miles off the coast of Australia. In four years, Maconochie transformed what was one of the most brutal convict settlements in history into a controlled, stable, and productive environment that achieved such success that upon release his prisoners came to be called "Maconochie's Gentlemen". Here Norval Morris, one of our most renowned criminologists, offers a highly inventive and engaging account of this early pioneer in penal reform, enhancing Maconochie's life story with a trenchant policy twist. Maconochie's life and critical commentary, Morris gives this work a powerful policy impact lacking in most standard academic accounts. In an era of "mass incarceration" that rivals that of the settlement of Australia, Morris injects the question of humane treatment back into the debate over prison reform. Maconochie and his "Marks system" played an influential role in the development of prisons; but for the last thirty years of his life, his influence was diminished by the rise of the "supermax" prison system.

Exploring Law and Culture

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettoes of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel. Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In Wolf Boys, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, Wolf Boys is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

Cannery Row

The acclaimed Proust biographer William C. Carter portrays Proust's amorous adventures and misadventures from adolescence through his adult years, supplying where appropriate Proust's own sensitive, intelligent, and often disillusioned observations about love and sexuality. Proust is revealed as a man agonizingly caught between the constant fear of public exposure as a homosexual and the need to find and express love. In telling the story of Proust in love, Carter also shows how the author's experiences became major themes in his novel In Search of Lost Time. Carter discusses Proust's adolescent sexual experiences, his disastrous brothel visit to cure homosexual inclinations, and his first great loves. He also addresses the duel Proust fought after the journalist Jean Lorrain alluded to his homosexuality in print, his flirtations with respectable women and high-class prostitutes, and his affairs with young men of the servant class. With new revelations about Proust's love life and a gallery of photographs, the book provides an unprecedented glimpse of Proust's gay Paris.

Poor Discipline

"This book is important for students who want to put domestic crime and justice issues and criminological theories in an international perspective. It is more than likely that this book will also interest all those who are professionally or privately interested in issues of crime, corruption, terrorism, law enforcement, criminal justice and sustainable development." —Johnson Thomas, BUSINESS INDIA In today's interdependent world, governments must become more transparent about their crime and justice problems. The World of Crime: Breaking the Silence on Problems of Security, Justice and Development Across the World seeks to break the "conspiracy of silence" regarding statistical information on these sensitive issues. It subsequently analyzes the macro causes of crime such as rapid urbanization, economic inequality, gender discrimination, abuse of alcohol, and drugs and availability of guns. Furthermore, the book analyzes the impact of crime on individuals and societies. Using a wealth of statistical information, the author underlines the need of greater international efforts to tackle transnational problems of crime. Key Features Presents 13 chapters, which are organized in 4 main parts; that cover measurement challenges, common crimes, emerging global crimes, criminal justice, and international perspectives on crime and justice Contains statistical data taken from 2005 International Crime Victim Surveys includes high quality figures such as scatter plots, graphs, and maps Features summary reviews and figure footnotes at the ends of each chapter Intended Audience: The book is intended as a supplementary text for introduction to criminology, criminal justice, and comparative justice courses and is also appropriate for those professionally interested in security, criminal justice and development.
